

**Marine Mammal Commission 2017 Annual Meeting
April 5-7, 2017, North Falmouth, Massachusetts**

Strategic Planning Session Summary

The Marine Mammal Commission has been operating under its current [Strategic Plan for 2015-2019](#) for almost three years and will soon begin a process to revise it for the next five year period. In this preliminary discussion the Commission and Committee of Scientific Advisors provided thoughts on the continued strength of the Plan and initial advice on possible refinements to its strategic objectives.
